

WES EDWARDS' SWEETHEART IS NO QUITTER

ECLARES SHE WILL STICK TO HIM TO THE FINISH.

DETECTIVES SEIZE

HER LOVE LETTERS.

TRIAL WILL BE HELD IN COURT ROOM WHERE MURDER

OCCURRED.

(By United Press.)

Roanoke, Va., Sept. 17.—"I'm going to stick to Wes to the finish," is the statement today of Maude Miller, 19-year-old sweetheart of Wesley Edwards, the Allen "outlaw," arrested at Des Moines with her Allen, for complicity in the Illinois court house tragedy on March 14.

"Wes thinks he's going to get off on a term in the penitentiary," continued Miss Miller and I'm going to see him through. I'll wait for him for years if I have to."

Miss Miller was held here to await the expected arrival today of her father, Frank Miller, from Hunt, N. C. He is technical under arrest as a principal witness, but the detectives intimated that he would be allowed to return home under her personal recognition.

Little value is attached to her evidence at the trial of Sidney Allen and her sweetheart. Letters seized from Edwards while he was in Des Moines have been seized by officers. These are said to be most incriminating evidence obtainable from the girl. Despite the fact that they face life sentences in the electric chair, Allen and Edwards slept undisturbed last night. It was reported today that Gov. Mann will immediately call an extra session of the Wythe county court to meet at Virginia Justice to the two men. Prisoners will be arraigned, however, in the court house at Roanoke—the exact spot where five sons were murdered by the clan months ago.

Sidney Allen and Edwards today began negotiations for counsel to defend them at the trial.

SECRET

MOVEMENTS OF INDICTED SOLDIERS BEING WATCHED.

OFFICIALS UNABLE TO UNDERSTAND THEIR APPEARANCE IN COLUMBUS.

(By United Press.)

Columbus, O., Sept. 17.—Attorney General T. S. Hogan and Prosecuting Attorney E. C. Turner were unable to explain last night the sense in Columbus of a large number of the soldiers indicted in the Irish bribery cases.

Wherever either of them go they are up into indicted ones. Throughout the day there were rumors here of a very important reference, but this was denied by indicted men. Nevertheless, the sense of nearly the entire squad is not satisfactorily explained. The gathering was the cause of circulation of a rumor that a man in the line somewhere is indicted, and that extraordinary efforts are being made to renew the impact of silence supposed to have entered into some months ago. Neither Turner nor Hogan would discuss the imminence of a break in a rush to cover, but there is a long, founded on developments of last few days, that it may come.

Grand jury began work yesterday, and after it has disposed of 10 or 12 murder cases it will take up the alleged bribery cases, and there are rumors of the possibility of many new indictments. The case of State Senators L. R. Andrews and Isaac Huffman, who are indicted for bribery, will be for immediate hearing when the grand jury convenes next Monday. Its fall term, according to announcement today.

(By United Press.)
Martinsburg, W. Va., Sept. 17.—The Stewart Vehicle Works of this city, employed 400 men, was completely destroyed by fire during last night entailing a loss of more than \$150,000. The plant had been in operation less than a year and practically all of the stock, including hundreds of vehicles was destroyed.

A providential fall of rain prevented the destruction of the Northwalk motor company and hundreds of thousands of dollars worth of the best property in town.

TRIFLED WITH HER AFFECTION

(By United Press.)

New York, Sept. 17.—His marriage on March 5 last to Mrs. Sophie Seisinger, daughter of James P. McQuaid, the Pittsburgh steel man having been followed by the suicide of Mary McGovern, a trained nurse, who said that he refused to keep his promise to marry her, Harold Winthrop Gould, a well known merchant of Brooklyn, was today confronted with a breach of promise suit for \$50,000.

Miss Merlydie E. Leonard, who complains that Gould trifled with her affections, is secretary to a New York business man; refused to disclose any particulars of the suit. Her attorney, H. C. Quimby, declared today that he had a number of interesting letters which he will make a part of the proceedings when the suit comes to trial.

PRESIDENT IS WELL PLEASED WITH OUTLOOK

SATISFIED THE COUNTRY IS FACING ERA OF GREAT PROSPERITY.

(By United Press.)

Beverly, Mass., Sept. 17.—Encouraged by telegrams from every section of the country, including unexpected good news from Ohio and Nebraska, President Taft today interested himself in the general political situation to a much greater extent than heretofore. He is intensely interested in the New York state situation and will be closeted with the Secretary of State Tuesday when the Republican state convention assemblies at Saratoga. The President is growing more confident daily and shows by his attitude that he believes the swing towards republicanism has set in.

The President said that he was satisfied the country was facing an era of greater prosperity than it has ever before. The President insisted that the prosperity is due in great measure to reassuring the business interests of the nation through his vetoing the tariff bills passed by the Democratic congress. The President has conferred many times lately with his managers and persons from every section and they have told him that the great mass of the conservative small business men of the nation, the farmers and the mechanics are for the ticket and can be depended on to vote it next November.

Taft builds great hopes on this "silent vote" which he believes will be absolutely against Col. Roosevelt because of his third term ambitions and the association with his campaign of certain well known millionaires and against Gov. Wilson because of his views on tariff revision.

WILSON WELL ON HIS TOUR OF FAR WEST

OLD PRESIDENTIAL TOUT SAYS HE DRAWS BETTER THAN BRYAN.

TRIP TO CHICAGO VERY DISAGREEABLE

SINCE RAILROAD COMFORTS WERE ENTIRELY UNKNOWN—NOW IN IOWA.

(By United Press.)

On Board Wilson Special Car, Magnet, Clinton, Ia., Sept. 17.—Gov. Wilson has reason to congratulate himself on the reception he is receiving on his first big campaign tour, if the wisdom of Alexander P. Mannin, the black-skinned custodian of presidential nominees tour for the last 20 years is the real thing.

Manning, as everybody calls him, began escorting Presidential candidates around the country in 1892, his first charge being Grover Cleveland. He has had personal charge of the person and effects of every Democratic candidate since then and is with Gov. Wilson now.

"I have been out with all of them," said Manning today. "Bryan included, and I never saw the crowds so big or the enthusiasm so genuine. Even the crowds Mr. Bryan got in 1896 don't beat the way they are turning out now to see Gov. Wilson. I knew this trip had not been advertised the way we used to advertise Mr. Bryan. I knew we were to be on a regular train that would not stop except on schedule and that wouldn't stay anywhere more than a minute or two. Yesterday our train was from an hour to an hour and a half late and I didn't expect anybody would be waiting to see the Governor, yet they were there at every town."

It is Manning's boast that in all his 20 year service to Presidential parties he has never yet lost so much as an umbrella.

Manning is from Indiana and edits a newspaper for colored people at Indianapolis between presidential campaigns. The Wilson schedule today provided for early arrival at Sioux City for a speech by the candidate at an interstate fair and for his departure for Sioux Falls, S. D., late in the afternoon. After speaking there he was to proceed by special train to St. Paul and Minneapolis. He arrived at Chicago from Sea Girt at 5 o'clock last evening and had his private car switched to the Northwestern, leaving Chicago at 6 p. m. Yesterday's trip to Chicago was a hard one for the Governor and his party. At several points his car was cut off and shunted about switchyards, from one train to another, which caused a member of the party to drop into verse as follows:

"Every time we hit a town
The railroad kicks our car around.
Looks like they're trying to do
Wilson Brown
And they gotta quit kickin' his car
car around."

In spite of the heat and the dust Gov. Wilson kept his good temper and appeared on the rear platform of his car every half hour or so to shake hands with the crowds that clustered about the end of the train and cheered him. At half a dozen points he made speeches and at all stops a representative of the national committee threw Wilson buttons into the crowd which scrambled for them like school children.

"WATER CURE" FOR OHIO IMBECILES

(By United Press.)

Dayton, O., Sept. 17.—Superintendent E. A. Baber, of the Dayton State Hospital for the Insane, today denied the report from Columbus that he has asked permission to install the hydrophobic, or "water cure" system at the institution. He said, however, that he favored the treatment and would ask permission to install it as soon as the hospital here could be equipped. The system includes a system of baths and is said to be powerful in producing results, especially in acute cases.

BODY OF THE MURDERED MAN NOT CLAIMED

NOT BELIEVED HE OWNED
UNION CARD FOUND IN
POCKET.

THIRTEEN TRAMPS
GIVEN RELEASE.

EACH ONE PROVED ALIBI AND
KNEW NOTHING OF THE
CRIME.

The body of the victim of Saturday night's foul murder lies in the Whitley morgue on east North street unidentified, today, as the result of communications, last evening with the grand secretary of the Machinists union. Although a handbook found in one of his pockets indicated that he was C. J. Whitaker, a machinist of Big Springs, Texas, inquiry had developed that the book he carried was more than six years old and that it had probably been given him by fellow-tramp.

Communication with George C. Preston, national secretary of Washington, D. C., revealed that C. J. Whitaker was a member in good standing at Bluefield, W. Va. It is not believed that the murdered man is either a machinist or from Bluefield.

Scores of persons visited the morgue, Monday evening and Tuesday morning in an attempt to identify the victim. One man declared that the fellow had worked at the Lima Locomotive works, but investigation discredited his statement. The body will be held at the morgue pending a thorough search for something that would lead to the man's identity.

The thirteen tramps arrested on the south side, Sunday afternoon, and grilled Monday by City Solicitor Jackson and Prosecutor J. J. Wendock were released from custody, Monday night. Police have been unable to turn up a clue to the party guilty of the crime, and all effort has practically been abandoned.

Police advanced no new theory of the murder, Tuesday it being generally accepted that the innocent came to his death following a drunken brawl in the south side barn.

WILL IS FILED.

The will of Elizabeth Herring, deceased, was filed this morning in the office of Judge Hutchison. Hearing was set for the morning of Sept. 26.

PAINFUL ACCIDENT

Frank Broom Injured at Rudy's Garage While Repairing a Motor.

Frank Broom, employed at W. B. Rudy's garage, on north Elizabeth street, was injured this morning in

repairing a motor. His right arm was pinched and bruised by the moving of the crankshaft. A physician attended the injured man, but the hurt is considered painful rather than serious. Broom will probably be compelled to lay off for some time, as the arm is practically useless.

WORLD SERIES RESULTS DEPEND MUCH UPON YOUNG RAY COLLINS

Chicago, Ill., Sept. 17.—The results of the coming world's series depends to a large degree on the play of Ray Collins. Stahl's only sander. Whenever fans congregate and discuss the chances of the American league champions to win McGraw's Giants the names of frequently mentioned are those of Joe Wood and Tris Speaker. Wood, the "outsider" speaks the young southpaw, and yet the manager and manager regard him as one of the most important actors in the play. Joe Wood will undoubtedly pitch the first game. Also, he will very probably win it. The Giants have a known to hit speed, but there is a man in the National league

with as much smoke as is possessed by the slender Woody. What they are worrying about is the pitcher for the second battle. Collins will be the lad selected and if he can win the Giants will have very little chance. Chicagoans have seen Collins in some brilliant performances and in some bad ones. Without control he is a comparatively easy pitcher to beat. With it he is just the opposite. If it happens that he works on one of his good days, New York will do well to score against him. But if he slips up and is defeated, Wood, Hall, Bedient and O'Brien will have their work cut out for them. Collins at his best is in a class with Plank, Rucker and Sajles.

Nap and Slim are effective against New York and would win over the Giants repeatedly if the teams back of them could score runs. The Red Sox are certainly a great scoring club. There isn't soft spot in the entire batting order, as the New York pitchers are sure to find before the series is half over. Two runs ought to cop for Ray, but of course he will need more than that if he isn't steady. The Sox will come back with Woody in the third game, no matter how the first two result. Charley Hall will probably be the man chosen in the fourth. If the series is a long one Bedient and O'Brien will get a chance to work, but their inexperience will prevent their being selected ahead of the others.

DAY TO RETURN TO REAPER CITY

Springfield, O., Sept. 17.—Information from Indianapolis is to the effect that Charles O'Day will capture the Springfield Central League next season. O'Day was taken to Indianapolis by Owner Meyer weeks ago, and it is a matter of rejoicing among the local fans he will be back here again. There is no longer any doubt that Springfield will be in the second Central League next year. Was in doubt for a time, but Meyer, owner of the franchise, he will continue it here.

WHITE SLAVES VERY EASILY IDENTIFIED

MOST OF THEM ARE SLENDER
AND USUALLY HAVE DARK
HAIR.

(By United Press.)
Chicago, Sept. 16.—The Chicago Protective League for Women, which is conducted by civic leaders, both men and women, and which has for its object the suppression of white slave traffic, has just given out some curious statistics.

The league has 700 women in the segregated district booked and card indexed.

From the records," says the secretary, "we find that 80 per cent. of the women have dark brown hair and dark eyes. This indicates, perhaps, susceptibility of brunettes to the wiles and false promises of men. The majority are small women—small in stature and weight. More than one-third of them assert married men caused their fall. The majority say they made their first misstep between sixteen and seventeen, but did not take up the life regularly until twenty years.

"Fully 90 per cent. say the small wages—\$5 and \$6 a week—forced the life on them. Many are supporting mothers and educating brothers and sisters. About 10 per cent are married.

"Fifteen were school teachers and twenty have attended college. But few were found who could not read and write. Many are well educated and read the best literature."

The officers of the league are: President Dr. Frank E. Phillips of Midway Mission, Vice-President, Rabbi Felix A. Levy of Temple Emanuel, Secretary, Louis M. Quitman; Executive Committee, the Rev. Johnstone Meyer, Mrs. Mary P. Balcom, Secretary of the Young People's Civic League the Rev. W. H. Carwaine, Alexander Mastromarino, publisher La Tribuna, Mr. Quitman, the Secretary, said:

"We expect to register July 2, 500 women and we have the assistance of the police, who register women, but do not go into details. We are trying to discover the cause of vice so that we can most successfully fight it. Five girls were prevented from entering the district last week. Two were under age and three were found whose relatives had reported them to the police as 'lost.' Dance halls are mentioned frequently as contributing causes to downfall.

"The startling fact was discovered that only 20 per cent. had been

MRS. J. BORDEN HARBMAN

Women who threw up their hands in dismay when their husbands began talking about the tariff are taking great interest in the tariff exhibit under the auspices of the Democratic National Committee, in Union Square, here. It is shown that the foreign consumer can generally buy American-made goods 15 per cent. cheaper than the American himself, and sometimes for half the American price.

on the downward path more than four years. More than half the histories showed but a year or two. The women make allusions to their life story. We found three who came from families of millionaires and one a cousin, she swore of a name sake of a prominent United States Senator mentioned frequently in the newspapers as involved with large corporations.

"One-third of the girls give us cause for their first misstep, in addition to low wages. 'Just felt like it and could not control myself.'"

HAYWOOD TO BE TRIED FOR CONSPIRACY

CLAIM HE PLOTTED VIOLENCE
DURING STRIKE AT LAW.
BENICE, MASS.

Boston, Sept. 17.—Wm. D. Haywood left for Lawrence early today to answer before the superior court in Lawrence of a charge of conspiracy in connection with last winter's bitter industrial war at Lawrence between the woolen mills and 30,000 operatives.

According to District Attorney Atwill, of Essex county, the conspiracy alleged in an indictment returned against Haywood and others was that they plotted to "unlawfully maintain a strike by inciting to violence and intimidation."

Haywood's arrest yesterday was a climax to a meeting of 20,000 textile workers and other industrial workers of the world from Boston, Lawrence and other nearby towns on famous Boston Common, in protest against imprisonment of Ettor and Giovannitti, Lawrence strike leaders.

Upon leaving the platform from which he pleaded for a general strike throughout the country if the prisoners are held in jail after Sept. 30, Haywood unwittingly stepped into an automobile of the Massachusetts state police and he was immediately arrested.

(By United Press.)
Tokio, Sept. 17.—"These expres-
sions by Japanese statesmen of Ad-
miration for the spirit which
prompted Gen. Nogi's suicide are
all bosh," was the comment today
of an American resident in Japan
and a deep student of the Japanese
character.

"The Japanese governing class
appreciates the general's suicide ex-
ceedingly. It could not have been
more useful to the new Mikado if
he had made it to order. But ed-
ucated Japanese regard the old sol-
dier as just what he was—the vic-
tim of a superstition which the
government has been instilling into
the people for a generation.
The 'spirit of Bushido' advertised
as centuries old, really never was
stronger than until forty or fifty years
ago. Neither was the blind patriot-
ism of the Japanese. They were
as patriotic as any one else and no
more so."

Is In a Pen Duel

LADY ARTHUR PAGET.

Dublin, Sept. 13.—Society here is
considerably amused at a duel of
hitting-in-between-the-lines letters,
in which Lady Arthur Paget, who
was Minnie Stevens, of New York,
and the Countess of Aberdeen were
the contestants. It seems to have
grown out of the fact that Lady
Paget never accepted any of the
Countess's invitations to become ac-
tively engaged in any of her pet
charities, and because of a rumor,

said to have its origin in the Ab-
derdeen household that guests of
Lady Paget had introduced "tur-
key-trotting" at the recent annual
ball, always a solemn function, of
the Aberdeen. At any rate the
two titled women for some time
past exchanged a series of sting-
ingly polite missives, which were
finally concluded by one in which
the Countess of Aberdeen finally
admitted that she never gave any
credence to the rumor.

COUPLE MADE UNIQUE VOWS

BEFORE MARRIAGE AND ONE
MINISTER PROMPTLY
TURNED THEM DOWN.

(By United Press.)

Los Angeles, Sept. 17.—That
Justice Robert McDonald declined
to marry Carroll Washburne and
Heloise Chandler because he could
not subscribe to a pre-nuptial con-
tract entered into by them before
their marriage Friday, became
known today.

Justice McDonald is said to have
known of the contract before he
went to the Washburne home where
the couple were married, but at the
last moment he announced that he
could not officiate because the pre-
nuptial agreement trampled too
ruthlessly upon accepted marital
convention. This left the bride in
her bridal finery forced to wait un-
til the bridegroom could persuade
Justice N. M. Northrup, of Alham-
bra, to perform the ceremony.

The contract provides that the
marriage shall not be a bond giving
either party any control over the
possession of the other, that it shall
not prove a bar to another mar-
riage, should this one prove unfruit-
ful and that the tie shall terminate
with the death of love on either
side.

To Increase the Habit of Saving

Makes it possible to increase the
habit of home owning. The Lima
Home and Savings Association sol-
icits more deposits from boys and
girls, from the employees of the
shops and factories and clerks of
Lima and from the farmers of Al-

Association is being called upon to
make more loans for the purpose of
building homes than it has money
to supply. Since the American Home
is the Safeguard of American
Liberty, every possessor of an idle
dollar can contribute to a worthy
cause by depositing it with an in-
stitution that believes in paying a
rate of interest that is worth while.
These idle dollars when accumulat-
ed will be loaned out to those wish-
ing to own their own homes. Our 5
per cent rate of interest, compound-
ed semi-annually, has been paid for
many years, and this rate will be
continued. Investigate our plan.

RUNNING AWAY.

FOR the past two weeks the police of Lima have been searching for a seventeen-year-old girl who, just tired of life as she found it, "ran away."

For two weeks a mother of that seventeen-year-old girl has frantically appealed to every agency to aid in locating her daughter. She based her fears, as a mother heart will, upon foul play; upon a love affair that could have no good ending. She never supposed her daughter had just tired of seeing familiar places day in and day out, and only wanted to change it all by "running away."

Two weeks in a neighboring city, working in a factory as hard as she ever worked at home was enough for the runaway girl, and she returned to Lima. She eased her dear old mother's heart when she again sought shelter beneath the parental roof—but did it pay?

"Running away" has possibly only given this girl a broader insight of home and a deeper love for it. She got lonesome, and now she is sorry she "ran away." But what does the world itself think? Does the world believe that a good, pure, noble, virtuous, well-meaning girl would "run away" with absolutely no more excuse than she was tired of the hum-drum life she was living? Now she must pay the penalty in the suspicious glances of the world's big eyes—and she must suffer even deeper than she could have suffered at home.

"Running away" was a novelty for this girl. But it will cling to her through life, and in more mature years she will find that it was the gravest mistake of her entire life—she would give the world, if she possessed it, not to have that world point, as it will, the finger of scorn at a "runaway girl."

But there is consolation, and "runaway girls" most always sooner or later seek consolation, in the fact that she has set an example for other girls who tire of home life. She has shown them that "running away" doesn't pay; that home and mother are not only good enough, as poor as they may be, for any girl, anywhere, any time.

LOCAL PRIDE IN COURT.

A YOUNG man was arrested near Milwaukee for speeding. In answer to the charge, he told the court that the accusation was untrue, that "the roads were so bad that he couldn't speed if he wanted to." Then the judge thus spoke:

Look here, young man, I could excuse you for a little fast driving. Young men in an automobile forget sometimes, but when you come into this court and try to tell me that our roads are the worst in the country you are barking up the wrong tree. First offenders usually are assessed \$10. But you are pretty fresh. I guess \$50 and costs will about suit your case.

As a case of judicial discretion or rather indiscretion this probably "takes the cake." The violation of law did not influence the judge in assessing the big fine, but the fact that the culprit discredited the country roads did. A lesson to all speeders—don't blame the roads.

"Celina has not a single Hebrew living within its corporation limit."—Celina Standard.

There's proof enough that the Hebrew knows where to live and where to stay away from to keep from starving, isn't it?

Marse Henri Watterson of the Louisville Courier Journal says "Col. Roosevelt's speaking tour will carry him into many states, and out again, leaving many states unearned by Mr. Roosevelt."

MISS LIMA: "Have you ever noticed that an engaged girl always uses her left hand to arrange her skirts when she sits down in a street car?"

Two Ohio men have applied for enlistment in the army because their wives "paid too much attention to suffrage." Right out of one war into another, as it were.

And after all what profiteth a man to have the lady in the row ahead remove her hat if she wears a bow of ribbon on her head the size of a biplane?

Newspaper dispatches tell of a man near Sandusky going crazy over reading the Congressional Record. That man was half-crazy or he would never have started to read it.

I. M. Armstrong was not patrolling the South Side when the murder occurred Saturday evening. The hoboes had missed him and got busy.

Happy thought: Every ten days you hear of the same girl meeting the only fellow she could ever love.

AT THE THEATRE

AMUSEMENTS.

THE FAUROT. Tonight, Honey Boy Minstrels THE ORPHEUM. Two More Days Gus Sun Minstrels THE LYRIC. All Week The Charity Ball

The theatre season is now well launched for the season, the Orpheum, and Lyric in their respective lines, now being regularly booked and the Faurot dating some good attractions, with the Honey Boy Minstrels on for tonight, followed by "The Littlest Rebel" Saturday matinee and night.

FAUROT—"The Honey Boys" Tonight.

George Evans and his Honey Boy Minstrels arrived this morning from Springfield and at noon enlivened the town with the swiftest street parade and some of the classiest band music we have had since this incomparable company was at the Faurot last season. It is certainly a fine looking bunch of honey boys this season. The famous Evans and his associates look in the pink of condition for their performance tonight.

Patrons of the show put on by the "Honey Boy" Minstrels, which, headed by the Peerless George Evans, himself, comes to the Faurot opera house may rest assured that the production they will witness is absolutely new in its entirety, not a vestige of last year's successful and delectable offering, albeit it was replete with a galaxy of splendid and highly-entertaining features that would still transcend those programmed by the majority of minstrel shows, remaining.

Other impresarios may be content to simply refurbish their productions, but not the inimitable "Honey Boy." This matter of creating annually a brand-new show amounts to almost an obsession with this talented little leader of minstrelsy. Cognizant of the fact that the road to continued success is by the pathway of popularity, which is now his enviable portion, he steers clear of the shoal on which so many ventures have been wrecked—the forcing of a frayed and worn production on audiences.

ORPHEUM THEATRE. Three good audiences greeted the Gus Sun Minstrels at the Orpheum on Monday. The only visible difference between the Sun Minstrels and that of the larger organizations, is the size and number of people.

Every act in the entire show has a special stage setting, the scenery being designed and painted by the Armbruster and Sons studios in Co-

Battle of Antietam, or Sharpsburg, Md. General George B. McClellan, with the Army of the Potomac and Burnside's Ninth corps attacked General R. E. Lee's army on Antietam creek. The bloodiest single day's action of the war. Both armies fought to a standstill, having lost 12,000, approximately, in killed and wounded on each side. Federal General Mansfield and Confederate General G. B. Anderson and General Branch were among the killed.

General G. W. Morgan's Federal command evacuated the fortified position at Cumberland Gap, Tenn., and retreated across the Cumberland mountains to the Ohio river, above Cincinnati.

lumbus, O. The costumes were gorgeous, in fact there has been nothing spared in making the show the one great success it is. The first scene shows "A Night in Dixie" Old Uncle Eph's log cabin surrounded by great cotton fields. The second scene is "The Planter's Mansion," the minstrel boys all dressed in colonial costumes.

SOUSA COMING. John Philip Sousa usually takes his vacations between the tours of his famous band. His favorite pastime is trap shooting, and, although he is an excellent shot, it is said he misses clay pigeons oftener than he allows a member of his band to play a false note. Sousa and his band will be at Memorial Hall, Lima, on Sept. 26th with three splendid soloists.

PROGRESSIVES SELECT RUDY FOR CONGRESS

COMMITTEES ARE NAMED AND
FULL-FLEDGED ORGANIZA-
TION PERFECTED

Lima has the honor of furnishing the first Progressive candidate for Congress from the Fourth district. At a mass convention of adherents of the new party, held yesterday and attended by a number of local men, W. Elmer Rudy, of this city, was nominated for representative in congress on the Progressive ticket.

The convention met at the call of W. O. Moxley, of St. Mary's, member of the state central committee, from this district, and was attended by L. C. Jones, of Greenville, who served with Moxley as Roosevelt delegate to the two Chicago conventions; W. C. Jackson, of Sidney; W. A. Pixler, of Mercer county, and other prominent out-of-town Bull Moosemen. While the attendance was small, there was plenty of enthusiasm and great interest was shown in the selection of a candidate and of congressional and state central committees.

In accepting the nomination the new congressional candidate referred to the remarks of J. W. Halfhill before the meeting of the Republican committee last Saturday. He attacked the old Republican organization as under the rule of bosses and answered the charge made by Halfhill that Progressivism and Socialism are one and the same.

Committees were appointed as follows: a congressional committee consisting of M. A. Atmure, of Lima and Dr. I. R. Wetherill, of Bluffton, for Allen county; J. P. Cozad, of Wapakoneta and C. F. Bucholz, of St. Marys for Auglaize; Charles Kemble, of Greenville and Nelson Markley of Arcanum, for Darke; W. A. Pixler of Rockford and B. F. Reop, of Ft. Recovery, for Mercer; and for Shelby C. B. DeWesse, of Greenville and J. C. Royan.

To fill vacancies the following were appointed: Dr. R. D. Kahle, of Lima, A. L. Combs of Wapakoneta, J. H. Swable of Spencerville; J. C. O'Neil of Rockford, and one to be named later. Frank M. Leech was appointed by State Central committee Moxley to represent Allen county on the State Executive Committee.

RALLY DAY OF SPRING STREET LUTHERAN SUNDAY SCHOOL IS HAPPY AFFAIR

The annual Rally Day of Spring Street Lutheran church and Sunday school was observed last Sunday. The first program was given at ten o'clock in the morning at which hour, the program as announced was carried out in full detail. The weather interfered somewhat with the attendance in the primary department, but the rain could not dampen the ardor of the happy occasion. At half-past seven o'clock in the evening, a chorus of thirty-five voices rendered the beautiful cantata entitled "The Festival of Flowers." The chorus was assisted by Mrs. E. G. Connor. An immense crowd was present, and thoroughly enjoyed the beautiful entertainment of the evening. One of the pleasing features was the lily drill given by twelve girls. Rev. W. J. Carpenter, of Jacksonville, Fla., delivered a short address.

After the concluding chorus the pastor announced the theme for the coming Sunday evening, "The Bride's Promise to Obey," and the morning topic "The Lost Key."

HARMAN'S SPECIAL SALE

OF HOOSIER KITCHEN CABINETS

Commencing Monday, September 16th at 9 a. m.

The new Way ~
A Hoosier Cabinet makes a Model Kitchen

Will Admit 50 to This Hoosier Cabinet Club.

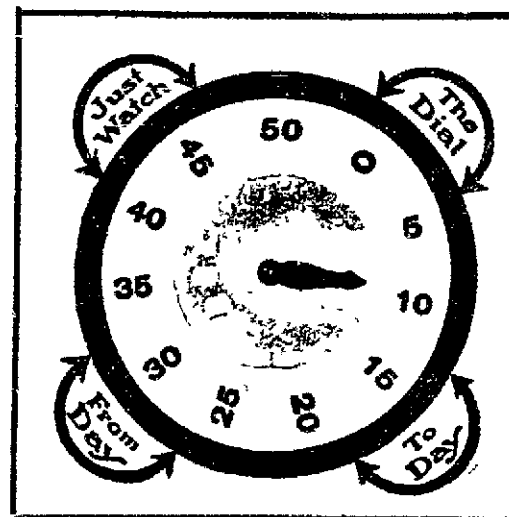

How the Club Will Modernize 50 Kitchens

Fifty homes in and about Lima will have a "MODEL" Kitchen through the medium of Harman's great "HOOSIER" Cabinet Club Plan.

This is the only opportunity, Housekeepers of this city, you will have this year to JOIN a real big "HOOSIER" Kitchen Cabinet Club on the liberal membership terms of \$1.00 weekly.

This club plan differs greatly from any other sale we ever conducted, because it is under the direct supervision of THE HOOSIER MFG. CO.

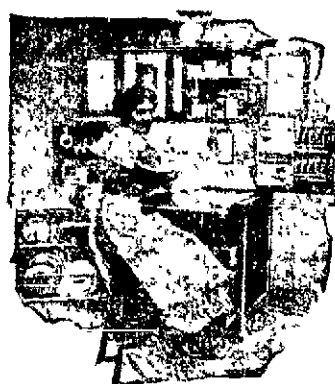

The plan enables everyone to own a Hoosier Cabinet right away and begin saving one to two hours every day from the very first. A half million women own Hoosier Cabinets. The demand is so great on the club plan that The Hoosier Mfg. Co., allows only a limited allotment to each agent.

Only You and 42 Other
Women Can Join

FOR A SINGLE DOLLAR

SNAP SHOTS TAKEN FROM REAL LIFE

I'm so glad to see you, dear. I've just received my new Hoosier. See when I pull out this table it looks so I can actually sit down at my work.

When the top is drawn out it gives me even more room than my old kitchen table, and do you know, this table top is pure aluminum. It can't rust and nothing sticks to it. It is fine for kneading dough.

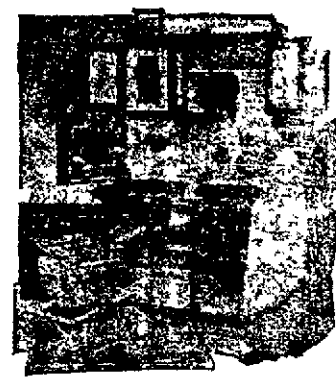

Now look at this sugar bin. When I take out one scoopful another flows down—always ready. See, just like this. Yes, the scoop went with the cabinet.

The sugar bin is made of rust proof metal and fills from the top here. Yes, just like the flour bin on the other side. The first sugar in is the first sugar out.

Here is the dish cupboard. You see, even while sitting I can reach up to the highest shelf. It is a whole lot different than walking back and forth for everything, isn't it?

You have no idea the things I can store away in here. Sometimes I have as many as forty packages on the lower shelf alone. It does save miles of steps.

See how easily I can take it apart for cleaning. Simple, isn't it? There is no place for dirt to lodge anywhere. That is why the Hoosier keeps so fresh and clean all the time. I can roll it up to the window or onto the porch if I like, and let sunshine into every corner. The Hoosier is the most sanitary cabinet made.

Now see! Five seconds after my work is done, everything is shut in behind dust proof doors. My whole kitchen outfit is put away out of sight. My kitchen looks so much neater and everything is so much more easily kept clean. The cabinet closed takes less room than a kitchen table. Yes, it is made of oak and is guaranteed not to warp. Oh, they last a lifetime.

Where did I buy my Hoosier? Why, at Harman's. You can't buy them anywhere else in town, and do you know, by joining the Hoosier Club my Hoosier was delivered to me on payment of a single dollar; the balance due on the cabinet I am paying at the rate of \$1.00 a week. Just think of it—Of course you can, that is, if you join the club before it closes.

Alright, just a minute while I put on my hat and I will go down with you. Doesn't the kitchen look snug and tidy with the cabinet closed?—Yes, we shall have to hurry, for the club may be closed already; three women joined the same time I did—Oh, I do hope we won't be too late.—(A few minutes later Mrs. Brown had joined the Hoosier Club.)

Now 50 More Lima Women Will Have Model Kitchens

Lima is fast becoming a city of Model Kitchens. Scarcely a block but has a house with a Hoosier Cabinet.

Save steps! You have a model kitchen complete with the Hoosier Cabinet. Its compact arrangement saves you time, labor and money, by saving steps.

You sit down to work at your cabinet. You get through quickly without being tired! The Hoosier lasts a lifetime! Built of Oak! Finished to endure long, hard use! The helper you need and want! It has no equal.

"A Model Kitchen" was the exclamation of an experienced housekeeper the moment she saw the Hoosier in a friend's kitchen.

"I wouldn't trade mine for a hundred dollars," says another enthusiastic owner.

"My Silent Servant," writes another.

Praises everywhere are endless. 500,000 women already use Hoosier Cabinets every day, and the demand seems constantly greater.

Think how quickly in this community a handful of 50 Hoosier Cabinets will be selected for immediate delivery on the great easy \$1.00 a week club plan! Think how much more attractive your kitchen would be if you should join this club of model housekeepers and merely by paying

\$1.00. Begin saving miles of steps in your own home.

Leave the Drudge Trail

F. E. Harman will put this "Silent Servant" in your home. Join the lucky 50. You economize time and labor; it makes your work scientific; gives TWO or THREE hours extra leisure daily for life.

F. E. Harman has made this club plan so liberal that every housekeeper should own a Hoosier Cabinet. Scores will enroll immediately. Memberships will be taken so rapidly that it is difficult to say how quickly the club will close.

The best plan is to get your name early on the list and have this "Silent Servant" delivered with the scores of others right away for merely a few \$1.00 weekly dues.

Join F. E. Harman's Hoosier Club tomorrow morning. A few days delay may be too late.

Will You Be a "Hoosier" Member?

How many time daily do you walk around your kitchen? From your range to your kitchen table;

COUNCIL ABOUT TO REACH SOLUTION OF PROJECT TO VACATE WEST THIRD STREET

ARBITRATION COMMITTEE WILL
CONFER WITH THE PROP-
ERTY OWNERS.

A probable solution of the west third street vacation project which has been filibustered by Socialist Aldermen Flinchbaugh and Shook, was reached in regular session of city council Monday evening. At the instance of property owners on the street about to be vacated, city molons evolved a plan whereby an amicable adjustment may be made of the dispute in which the Socialist alderman and the mayor have been the storm center.

A proposition to recommend to the parties concerned, the appointment of an arbitration committee to indemnify property losses, was submitted to the lawmakers and action taken accordingly. Some time this week, representatives of the injured property owners and of the Lima Locomotive corporation, in whose favor the street is about to be vacated, will get together and make a satisfactory adjustment of indemnities. The following damages are demanded by the west third street owners of property if the vacation ordinance is put through:

William Ryan, 145 west Third street, \$600; C. W. Workman, 145 west Third street, \$600; William Ryan, 139 west Third street, \$500; E. A. Kline, 133 west Third street, \$500; B. Bavaris, 123 west Third street, \$400; C. M. Smith, lot on west Third street, \$160; W. N. Leist, 113 west Third street, \$350; Mary C. Rine, \$300; J. J. Miller, \$350; Louis Valente, 130 west Third street, \$450; A. Z. Crow, \$160; Mrs. W. A. Roberts, 188 west Third street, \$350; Mrs. W. A. Roberts, 116 west Third street, \$350; Mrs. Adeline Pugh, 112 west Third street, \$400. Total indemnity petitioned, \$5024.50.

The arbitration committee proposed will be comprised of one member selected by the property owners, the second chosen by the corporation and the third member jointly by the two interests concerned.

BOND ISSUE AUTHORIZED.

Sanction was given the \$100,000 bond issue recommended by Service Director Frank E. Harman last evening, the measure being railroaded through on a unanimous vote. The bond issue calls for an appropriation of \$60,000 for the laying of a 20 inch trunk main from the central pumping station through to the south side district; an appropriation of \$25,000 for the purchase of machinery and new equipment for the water works; and \$15,000 for the reinforcement of the retaining walls and abutments on the sides of Lima Lake, better known as the city reservoir.

The service director also asked for the authorization of the transfer of \$2,500 from the contingent waterworks fund for emergencies, enumerated as follows: \$100.00 for the purchase of new supplies and records and the publication of a new book of regulations; \$800.00 for labor and teams; \$100.00 for the removal of fish from the reservoir as ordered by the state board of health; \$500.00 for boiler and machinery repairs as ordered by the state boiler inspector and \$1,000 for the purchase of water meters for rental purposes. Although the last clause was objected to, the request was granted by a vote of 5

to 2. Members Standish, Bryan and Custer opposing.

Other business of slight consequence was disposed of at the meeting.

MAN STARVING AMONG PLENTY

JOHN WHEELER IS FORCED TO
SEEK AID OF PUBLIC.

John Wheeler is the name of a hard-working man living at 940 west High street, whose case submitted to Superintendent Welty of the Rescue Home, Monday evening, is truly worthy of consideration. Handicapped by constant illness since his removal to this city from Cridersville a few months ago, by the support of eight young children and a wife, and by other hardships untold, of Mr. Wheeler has borne his burden without a plaint until last evening when in the very face of starvation, he applied to the Rescue Home for assistance.

The Wheeler family is a large one. Of the eight children, only one—a lad of seventeen—is capable of contributing toward the support of the family. Not long ago—eight months to be exact—the Wheelers moved to this city. An epidemic of mumps attacked members of the family. Mumps was followed by measles. At one time, six members of the family, including the husband and oldest son were confined to the home with serious cases of the contagion. Mrs. Wheeler was taken ill. The stork hovered about her bedside. The baby came, and lived but a few hours. Later, she was taken to the city hospital where she hovered between life and death for days. She finally returned to her home, only to find the other members of her family in destitute circumstances. The father was recovering from illness. Young children had no clothes and the cupboard was bare. School opened and the little Wheelers were detained. Their clothes were worn and patched and their apparel did not warrant their appearance on the streets.

Yesterday, the father recovered and is today in search of work. Last evening, the cupboard was again bare. Superintendent Welty of the Rescue Home visited the place and found only a few crusts of bread remaining. Grocers refused them credit and today they are on the verge of starvation. Assistance will be tendered them this afternoon.

Supt. Welty requests that contributions, clothing or food, for the family be left at the Home on east North street.

CARING FOR POLES.

The dozen or more Russian-Poles who brought suit against the Patterson and Moran construction company in Justice Holmes' Court, Saturday afternoon and whose cases are pending in the court, are quartered at the Refuge Home on east North street. Supt. Welty has found work for several of the foreigners and the others will remain at the Home until their suits in justice court are settled.

CITY COUNCIL HAS A BLUFF WELL CALLED

ERIE WILL ELEVATE IF CITY IS
READY TO PAY ITS
SHARE.

STAND-PAT ATTITUDE
GETS SHAKING UP.

IF PROPOSITION IS PUSHED A
BITTER FIGHT WILL BE
THE RESULT.

City council's stand-pat attitude toward the Erie railroad was given a jolt in star-chamber session, Monday evening when Alderman Justice, backed by President Bowser, fathered a proposition made to him by the Erie railroad company whereby the company offers to elevate its tracks through the city at a cost of \$900,000, with provisions embodied in the overture that the city pay anywhere from 25 to 35 per cent of this expenditure.

Overtures and compromises tendered by Attorney James W. Halfhill, counsel for the railway, have been rejected in the past, especially on the grade crossing proposition. A few weeks ago, as an ultimatum, council unanimously declared itself against future grade crossing and made it compulsory for all railways desiring to run tracks through the city, to elevate such tracks. After much dickerling, the company attempted to "slip one across" on the city officials by rushing their proposed double tracking through in the dead of night. City Solicitor Jackson blocked the deal. Flanked on all sides, the company approached the city lawmakers last evening with a project that will incur an expenditure to the city of at least \$225,000.

Alderman Justice broached last night's suggestion declaring that the city would benefit by the abolition of crossings on the south side. President Bowser apparently favored the project and City Solicitor Jackson seemed to "lean toward" the proposal. Other members of the aldermanic body, however, declined to consider the proposition, until further attention and careful investigation has been given it. It is quite probable, however, that the majority of the solons will "stand-pat" in the attitude. In such event, the Erie people in order to double-track their line through the city, must elevate the proposed track at St. Johns avenue and Metcalf street at any rate, and aldermen declare that it is reasonable to believe that should any overhead construction work be done, all the tracks will be laid over the viaduct thus saving the city the \$225,000 expense.

City ordinances legalize the assessment of from 25 to 35 per cent against the city in the construction of elevated crossings, but leaves it entirely optional to the lawmakers whether or not they approve the expenditure. In other cities, railroad companies have elevated their tracks at their own expense and municipalities have been immune from any expenditure, whatever. If the proposition is pushed in aldermanic circles, a bitter fight is promised.

WRECKED

ENROUTE TO SPENCERVILLE
AFTER CUTTING INTO SUDS.

JOHN ZIMMERMAN AND CLARENCE SERGEANT HAD HIGH-LIFE SYMPTOMS.

Hiring a livery rig from the barn of Plummer and Musser, east Spring street liverymen, and partaking excessively of alcoholic liquors, John Zimmerman, a civil war veteran, and Clarence Sergeant, both of Spencerville, came to grief five miles west of Lima on the Spencerville road, Monday evening, when they were spilled from their rig and buried into a ditch where they lay in an intoxicated condition until the arrival of Sheriff Watt and Deputy Charlie Baxter.

Arraigned in municipal court, Tuesday morning on state affidavits charging them with drunkenness, the pair pleaded guilty and were fined \$5.00 and costs each by Mayor Shook. Zimmerman paid up and was released while Sergeant is confined to the city prison pending the payment of his fine.

According to the story told the police, Zimmerman had hired a rig and engaged Sergeant to drive him over to Spencerville. Drinking heavily before leaving the city, they became intoxicated and were thrown from the buggy on the Spencerville road. County officials found them following repeated complaints from pedestrians and residents of that section, and the pair were arrested. James Newland was the only plain drunk on the docket, Tuesday morning. He was fined \$1.00 and costs for first appearance.

CORONER WILL HOLD INQUEST

In order to probe deeper into the murder of C. J. Whitaker, the supposed machinist found murdered in a barn on the south side Sunday morning, Coroner Dr. Pfeiffer will hold an inquest late Tuesday afternoon. Police officers who worked on the case and persons living in that vicinity including Martin Tyre, a steel worker who apprised police of the murder, were summoned.

Dr. Pfeiffer clings to his theory that the man's real name is Whitaker and will hold that view of the matter until the man is otherwise identified.

Tyre, who summoned police to the scene of the murder, wishes the Daily News to deny the published story that he visited the barn prior to the calling of police or that he had seen any of the foreigners visiting Connie Flynn's saloon as has been stated. The steel worker states that he merely chanced to overhear a part of the conversation between a group of tramps, and notified police accordingly.

HOSPITAL NOTES.

Fanny Snow, nine-year-old daughter of Mr. and Mrs. F. C. Snow, of Spencerville, who was brought to the Lima Hospital some time ago suffering from a fractured skull, is reported well on the way to recovery from the accident and the operation which it made necessary. Her injury was due to a fall from a second-story window at her home.

This morning William Lommison, of Lake street, who has been ill at his home for some time, was taken to the City hospital in the Eckert ambulance for treatment.

SAVES ELDERLY PEOPLE FROM KIDNEY AND BLADDER MISERIES

Sleep Disturbing Bladder Weaknesses, Backache, Stiff Joints Rheumatic Pains Disappear After Few Doses are Taken

While people along in years are naturally more subject to weak kidneys, they can avoid the tortures of backache, and rheumatism, and be saved the annoyance of getting up at night with disagreeable bladder disorders, for the new discovery, Croxone, quickly cures the most severe and obstinate cases.

Croxone quickly and permanently cures these conditions because it removes the cause. It is the most wonderful remedy ever devised for ridding the system of uric acid. It is entirely different from all other remedies. It is out like anything else ever used for the purpose. Pills, tablets, and other medicines merely stimulate the kidneys, occasionally giving temporary relief. Croxone makes the kidneys filter the blood and sift out all the poisonous acids and waste matter that cause these troubles.

It soaks right in and cleans out the stopped-up, inactive kidneys like water does a sponge, dissolves, and

BERT SPENCER PUT TO DEATH FOR MURDER

MASKED AS A BURGLAR HE
SHOT AND KILLED MAR-
TIN BLACKSTONE.

(By United Press.)
Boston, September 17.—Bertram G. Spencer, who, as a masked burglar, shot and killed Miss Martha B. Blackstone at Springfield, March 31, 1910, paid the penalty for his crime with death by electrocution at the Charlestown State Prison at 12.18 o'clock this morning.

The crime for which Spencer was convicted, the murder of a young woman schoolteacher, was the culmination of a series of bold petty burglaries which for two years had baffled the police and terrorized the people of Springfield. Spencer confessed that the fascination of reading newspaper accounts of his exploits was the motive for the burglaries.

The night of March 31, 1910, Spencer broke into the home of Mrs. Sarah J. Dow. Miss Blackstone, a schoolteacher, was visiting at the time, and, with Mrs. Dow and her two daughters, was putting together a picture puzzle. Suddenly a masked man with a leveled revolver walked into the room and demanded money.

The women screamed and started to run. The masked figure ordered them to stop, and, as the women did not heed the warning, he discharged the revolver. One shot killed Miss Blackstone instantly and another entered Miss Harriet Dow's head, causing a fracture of the skull, from which, however, she recovered. The burglar then fled, leaving no clue behind him.

Three months later, after rewards had been offered by the Governor and others, private detectives produced a jacket which had been found near the scene of one of the many robberies. It contained pictures of Spencer's mother and sister and bore his initials.

Spencer was known only as an industrious clerk in a meat store. He was 28 years of age and had a young wife and baby. Spencer was arrested, and he confessed not only to the many robberies, but the shooting of Miss Blackstone. In his home was found a collection of miscellaneous articles he had stolen.

FORGERY CHARGES AGAINST FARMER

Forgeries alleged to have been committed more than a year ago will result in a grand jury investigation of the charges preferred against Charles Klinger, a farmer, living near Ada, and his wife Edna Klinger. Charges were placed against them by Marion A. Lones and his wife, Rena Lones, alleging

that the Klingers had swindled \$103.40 by forging checks.

As administrator for an estate more than a year ago, Klinger was ordered to pay the above amount to the Jones family. Although he claims that he mailed the amount to Jones, the money was never received, and Klinger afterwards made good the amount.

The criminal suit, he says is the result of personal animosities. Mr. and Mrs. Klinger pleaded guilty and were held to the grand jury in

the sum of \$250.00 each, bond being furnished.

FORMER RESIDENTS

SEE BIG CHANGES
 To the old-timer, who returns to Lima after an absence of eight or ten years, several striking features of the city's growth are at once apparent. New streets of ten years ago, at that time possessing little more than the name, are now lined on both sides with solid rows of substantial residences.

Other new streets are noticed where were formerly "commons," show-grounds, and unsightly trash piles. Morning, noon and night whistles are heard that did not blow ten years ago. Extensions of street-car lines, new paving, and more than else, the scarcity of empty houses—all point to a steady and healthy growth that promises well for the future of Lima.

ALL CEREALS TAKE TUMBLE

WHEAT, OATS AND CORN HIT TOBOGGAN FOR A FRAC-TION TUESDAY.

Chicago, Sept. 17.—All cereals took a slight tumble in the market Tuesday. There was not much selling, but what did occur was quite bearish. Sept. wheat got away an eighth down and Dec. unchanged. At noon Sept. was down 3-8 and Dec. 1-8. Corn started an eighth up for Sept. and Dec. got off unchanged, but at noon Sept. had climbed 3-8 and Dec. was down 1-8, both losing steadily afterward. Oats started up an eighth for both crops but lost it at the noon hour. Provisions were lower. The general close showed:
 Wheat, May 96 4-8; Sept. 92; Dec. 90 7-8. Corn, May 52; Nov. 69; Oct. 66. Oats, May 34 4-8; Sept. 32 3-8; Dec. 32. Sept. pk 16.90; Oct. pk. 16.92; Jan. pk. 18.12.
 (By Wagner Wire.)
 Wheat—export demand reported poor, wheat ruled by foreign markets largely and this trading situation will probably continue. Cash corn news looks a little more bullish, but new crop news is decidedly good. Be hard to bull May corn—some disposition to disregard frost forecasts. Samples of new corn again received all wonderful. Broomhalls remarks indicates Russia has raised above 670 million wheat and will ship 60 million above last year at least. Locals somewhat earlish on wheat but not active.

Alcohol for Boys? Go To Your Doctor
 Ask your doctor how often he prescribes an alcoholic stimulant for children. He will probably say, "Very, very rarely." Ask him how often he prescribes a tonic for them. He will probably answer, "Very, very frequently." Then ask him about Ayer's non-alcoholic Sarsaparilla as a tonic for the young.

STOCKS SHOW STRONG TONE

BIG GOLD IMPORTATION LENDS INTEREST TO THE MONEY MARKET.

(By United Press.)
 New York, Sept. 17.—A strong tone was shown in the initial trading. Trading became less active after the first fifteen minutes. Government unchanged; other bonds firm. At noon trading was quiet. It remained so throughout the afternoon, no specialties coming up. The close was strong.

The \$750,000 gold engaged for import from Europe by Goldman, Sachs & Co., was the first importation since August, 1910, and gave added interest to the monetary situation. It was a matter of comment among bankers that exchange rates recently have not been at what is generally recognized as the gold importing point and there was some tendency to regard today's transaction as a special one. As a matter of fact, sterling is about half a cent higher than it was last week. It was learned, however, that the city of New York at the close of last week placed a block of \$4,000,000 revenue bonds abroad on a 4 1-2 per cent basis for 60 days and also that this import of gold is in connection with this transaction.

J. H. Horner, the well known local starting jockey left Tuesday morning for Kendallville, Indiana, where he will officiate at the harness races for the remainder of the week.

The Great Sale of CLERMONT

BASE BURNERS and RANGES IS NOW ON.

Do Not Overlook This Most Wonderful Guarantee Back of These Stoves.

You've Simply GOT to Be Satisfied

We won't let you buy a CLERMONT Base Burner or Range and be disappointed with it. You've heard of "guarantees" before, but sometimes they are so surrounded with "if's" and "but's" that they really don't guarantee anything. Here's a guarantee that really means something.

"If for any reason or at any time the purchaser of a CLERMONT, Base Burner or Range, is not satisfied with his bargain, we insist on giving him a new stove or refunding his money."

Read that again and see if we could wriggle out of it if we wanted to. It's plain English, says what it means, and means what it says. Come in as soon as you can and see this great stove.

VIEWING ROAD

WITH VIEW TO MAKING IMPROVEMENTS—FARMERS

ABOUT THROUGH THRESHING.

Special to The News.
Bellefonte, Pa., Sept. 17.—A party of autoists from Lima composed of the Allen county commissioners and a corps of engineers were in our midst viewing and estimating the proposed changing of this road as advocated by the Erie through their attorneys, Messrs. Halfhill, Quail and Kirk. Two plans and specifications are available, one eliminating the crossing and throwing the traffic parallel to the Erie as far as the Bowman road. The other specifies an eighteen foot over-head trestle.

The Erie is contending for plan number one while the people in this vicinity and the commissioners demand the second plan. Nothing definitely has been decided upon as yet.

Miss Virgil E. Thomas who has been spending her vacation with her parents, Mr. and Mrs. Emory Sherman Thomas, has resumed her studies at Lima High school.

Mr. Riley Hanthorne, of the firm of Hanthorne Bros., has purchased a new motor cycle.

Mr. and Mrs. Robert Shade have moved into Mr. William A. Stevenson's house on the Bowman road. Mrs. Shade is teaching the Bowman school.

Mr. Charles P. Wilson, dexterous manipulator of the brush is painting the old Marshall homestead.
Messrs. Quail and Kirk, attorneys of Lima, were official visitors in this district on behalf of the Erie closing some right-of-way contracts. Nearly every one has threshed their grain in this neighborhood. David Driver, of the Marlon road, finally relieved the congested condition.

SOCIALISTS SQUABBLE.

Chemnitz, Germany, Sept. 17.—As was expected a hard fight developed today at the German Socialists' convention between the revisionists or conservative, the Marxist or theoretical, and the radical factions for control of the party. The issue of the struggle is still doubtful.

HINTS AND RECIPES

By Mrs. Mary Miller

In my talks on "Hints and Recipes" I want to impress upon your minds the absolute necessity of good, pure materials. One cannot expect the delicious pastries called for in my recipes unless the very best materials are used. Experience has demonstrated that a poor quality of favoring can utterly spoil the best recipe and for this reason I invariably recommend a brand I know will be successful in my recipes.

WHITE CAKE

Two-thirds cup butter, two cups sugar creamed together, one cup milk stirred in gently, two cups sifted flour, two teaspoons baking powder mixed in a third cup of flour; add the well beaten whites of five eggs and favor with two teaspoonsful SOUDERS' Vanilla.

CREAM COOKIES

Two cups sugar, three eggs, one cup sour cream, one cup butter, one teaspoon soda, flour enough to make soft dough, one teaspoon SOUDERS' Lemon.

SPICE CAKE

One cup molasses, one cup sugar, one-half cup butter, two eggs, two teaspoonsful vinegar, two teaspoonsful soda and one half teaspoon each of cloves, allspice and SOUDERS' Essence Cassia; one-half cup of strong, boiled coffee and flour enough to make a stiff dough.

BEST TOILET SOAP

One of the best toilet soaps is Brown's Pine Tar Soap. It does not irritate, but cleanses and heals chafed, cracked and sore. It is also splendid as a shampoo for men, women and children. Druggists and grocers sell it at 5c per cake.

Victims of Motor Cycle Accident

EDDIE HASHA.

One of the worst accidents in the history of the motor cycle racing occurred on the 4 lapped, steeply banked track, at Newark, N. J., when Eddie Hasha, the diminutive driver, of Dallas, Texas, lost control of his machine, which shot up the embankment, plunged through the guard rail, killing five spectators and himself, and then rolled back on the track, as it propelled by the hand of fate, just in time to knock Johnny Albright, the daredevil driver of Denver, from his machine, and inflicting injuries from which he died soon after he was conveyed to the hospital.

CHARGES

OF GRAFT IN POLICE CIRCLES OF NEWARK (N. J.) MADE

ANTI-SALOON LEAGUE CALLS ATTENTION OF GOV. WILSON TO MATTER.

(By United Press.)
Seagirt, N. J., Sept. 17.—Complaints indicating a "scandalous disregard of law in the city of Newark" have been brought to the notice of the Mayor and Chief of Police of that city and to the Prosecutor and Sheriff of Essex County by Governor Woodrow Wilson.

In a letter to these officials, made public today, the governor calls attention to alleged vice conditions in Newark, complained of recently by the Anti-Saloon League of New Jersey, at a formal hearing before him at Trenton. Documents relative to the complaints are inclosed with the governor's letter and prompt and effective action in the matter is asked.

The documents, Gov. Wilson says, "set forth very explicitly and with a good deal of detail conditions of lawlessness and of scandalous public disregard of law in the city of Newark, which, if true, are deeply demoralizing and disgraceful; and the evidence with which the recital is supported is direct, the evidence of eyewitnesses of scenes which mean, if they mean anything, that the police and civil authorities of the city not only connived at the lawlessness, but in some instances countenanced it in person."

EARNEST ADVICE

From a Woman Who Suffered from Lack of Blood and Who Has Recovered Perfect Health.

Bloodlessness is one of the greatest enemies of growing girls and young women. So stealthily and gradually does it afflict them that the disease is often well advanced before it is detected. Therefore it is important to note the first symptoms and check the timing of the blood.
Miss Helen J. Pennells, of No. 929 Liberty street, Toledo, Ohio, who cured herself of anemia with Dr. Williams' Pink Pills for Pale People, says: "I cannot speak too highly of Dr. Williams' Pink Pills for Pale People. I am in better health than in years. Since I was a girl in my teens I suffered from anemia and headaches. I never received benefit from the doctors. To tell the truth I don't believe they knew what ailed me. My digestion was poor and I had difficulty in keeping anything on my stomach. I had an abnormal craving for various articles of diet which I had to satisfy. There were awful pains in my stomach. I had very frequent spells of dizziness when I would have to sit down and rest. I was terribly nervous and couldn't stand any noise. I was very restless and some nights couldn't sleep for more than two or three hours. I had sick headaches over the eyes and through the top of my head. I suffered from pains in the side.
"After a year's sickness I began taking Dr. Williams' Pink Pills for Pale People. From the first I began to gain color in my cheeks and gained in weight and strength. I kept on with the pills until I was cured. I am perfectly well now, weigh more and am stronger than ever before in my life. I am in perfect health and am sure that Dr. Williams' Pink Pills for Pale People were the very medicine needed in my case."
A helpful booklet, "Building Up the Blood," will be sent free to any address on request. It will show you what Dr. Williams' Pink Pills have accomplished in cases like your own.
Dr. Williams' Pink Pills have repeatedly cured anemia, indigestion, neuralgia, St. Vitus' dance, rheumatism, lumbago and sciatica. All druggists sell them or they will be sent by mail, postpaid, on receipt of price, 60 cents per box; six boxes for \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y.
